Maurice please accept my heartfelt condolences on Carmen's passing. Although it hurts so much to lose your loved one, yet we are grateful that she is now free of pain. Carmen's wonderful personality preceded her wherever she went and you knew on first meeting her that she was a genuine and caring soul. She certainly personified "do unto others as you wish them to do unto you", she so respected others that it was easy to respect her. I loved the way she and my niece got along and I know her whole family will miss her always. Take comfort that now she is called to higher service and she watches over you all. So long Carmen, may you rest in everlasting peace.##imported-begin##Barbara Scott##imported-end##

Dear Carmen's Family, At the reading of the obituary, I got a very warm memory of Carmen. When our sons were in kindergarten, Raymond and Michael had a play date. Carmen and I agreed on the time I was to drive Raymond home. Well, Raymond, Michael and I got into a game of Trouble. We were having so much fun, till I forgot about time. It was about 15 minutes after the agreed hour. At about 12 minutes after I noticed the time. I say guys this is the last game, let me call Carmen to let her know we are running late. Just then the door bell rang there stood Carmen, I felt like I was caught with my hand in the cookie jar. She smiled sweetly and her smile was infectious, the ice was broken. Carmen will live forever in my heart. You have my deepest sympathy. Each of you have your own heart warming stories, that will warm your soul and be with you forever.##imported-begin##Bernice T.
