Thank you for loving me, for being the father I never knew. My heart is filled with sadness, it won't be easy forgetting you, the day you passed, is like I lost my best friend. I can't thank you enough for being there when I had Jennifer, you always were there, I still remember you bringing me a big bag full of tootsie roll pops because you knew that was what I craved. I remember walking and you showed up in your car and you said Jennifer Elaine is a beautiful name, and I said yes it is. I am truly blessed to have held your hand as you neared death and watched you take a soft whisper and left us, I know that Jesus was there waiting for you. My God how much I loved you, my world will be so empty now without you. Love you forever and ever, your #1 niece Barbara##imported-begin##barbara Ross-Bowen##imported-end##
