A candle is appropriate for Dennis. He also had bright glow to him and always projected an energy and undaunted spirit that he shared with everyone in his life. Everyone who was lucky enough to have known him. And by us, who did know him, he will be sorely missed. A bright light has been extinguished forever...

How do I find the words to express the love in my heart I have for you. I was honored to support You,Carly,Sean and John through the precious hours we had together during the last 9 months. I have 38 years of memories that I will carry with me day to day on this earth. One day in the future I will be looking for you in our eternal paradise. When I look into Carly's eyes I will always see the outline of your wonderful spirit that touched so many lives. Thank you for demonstrating the true meaning of unconditional love. Always, Beth aka Bedi'
