It comes as an absolute shock.I was frantically looking for her all over social media since 2008.Lucky to have her handwritten letters that we used to exchange during our college days and good few years post graduating from college.She was an inspiration a caring friend a strong woman a wonderful student a kind human being who was my first love and I shall always be besotted by her and the wonderful memories she left behind.Rest In Peace Princess.God doesn't make human beings like you anymore.You were the last that god fashioned in his own shadow with his own hands.Words fail me as I run out of adjectives to describe the person who you were in flesh in blood.

Rimi was my classmate in school, we kept in touch via Facebook but had no contacts for the past few years. Last news was, that, of her wedding so her demise comes as a shock. May her soul rest in peace and god give strength to her family during such a hard time.
