Billy and I along with his brother Skip spent a lot of time together over the years and I have known the entire family since I was about 5 years old. Billy was a gentleman and kind man with a good heart and it was always a pleasure to see him when we crossed paths. He was always kind and treated me with respect. I do not know if I can make the service tomorrow since I have had pneumonia for 2 weeks and not yet gotten completely over it and I am somewhat weak of strength right now. Words does not describe how bad I feel for the rest of the Lenox family losing two members so close. If there is anything I can do to help please feel free to reach out. Billy went to soon and when I first read about it I was stunned. May God bless all of you and my imagination sees that both Skip and Billy are hanging out in heaven perhaps helping to tow someone else along the right path.

I knew Bill from work, sold him his big rotating wrecker a few years back. Always a gentleman, always polite and well spoken. Assisted me when my daughter got hit and her car was total loss. The industry lost a good guy, the world lost a nice man
