Your Mother Is Always With You

by Unknown Author

Your mother is always with you...

She's the whisper of the leaves
as you walk down the street.

She's the smell of bleach in
your freshly laundered socks.

She's the cool hand on your
brow when you're not well.

Your mother lives inside
your laughter. She's crystallized
in every tear drop...

She's the place you came from,
your first home.. She's the map you
follow with every step that you take.

She's your first love and your first heart
break....and nothing on earth can separate you.

Not time, Not space...

Not even death....

will ever separate you

from your mother....

You carry her inside of you....

In Memory Of My Mother

by Patrick Kavanagh

I do not think of you lying in the wet clay
