To my best friend, Carol, I am so glad I got to talk to you one last time on July 3rd. We had a lot of crazy times and sometimes got into trouble (like driving home from the shore at 5:30 AM freezing our butts off with the top down just so we could fit the beach lounge chair into my MG, getting locked out of the farm house we were staying at while working at the car races in Watkins Glen because we came home too late from partying and had to sleep in the car, jumping on to the Delta Queen's stage as it was leaving Dubuque because we were late getting back to the boat due to partying at the bowling alley, missing our plane back from Jamaica and had to fly back home first class "boo hoo" because it was all that was available) but we sure had a hell of a time over the years!! I have so many wonderful memories of our time together. My heartfelt condolences to your family. I'll miss you Carol. Bonnie Kishpaugh, Murrells Inlet, SC
