I was so upset when I received notice that FDNY EMS EMT Kerry Burnett passed away . He was on BLS unit that help work on saving me 3 days short of 2 years ago.from June14, 2021 I'm so glad I got to thank him May 25, 2023 on Facebook because he was unable to make the Second Chance Brunch and have him receive an life saving award for his permanent record. All the saving he did in his career and he couldn't be saved. May he rest in peace. ❤️❤️❤️
