Johnathan Richard Torres "JT"

APR 19, 2004 - JUL 15, 2025

It is with deep sadness that we announce the passing of Johnathan Richard Torres, 21, of Maywood, NJ, also known as JT to his friends, who left us way too early on July 15th, 2025. Johnathan was born on April 19th, 2004, in Englewood, NJ, to Selena Bohan and Juan Carlos Torres. Johnathan was the greatest gift and the best Son and Brother ever.

Johnathan was a 2022 graduate of Hackensack High School, and currently pursuing a Business Administration degree at Bergen County Community College. He also had a passion for finance and trading. Johnathan was known for his bright, infectious spirit and his love for life. From a young age, he had a passion for cars, one that only grew as he did. His dream was to own a Mustang GT, a dream he made a reality by purchasing his very own red 2007 Mustang GT and building it up with his own hands. A true car enthusiast, he loved attending car meets, working on his vehicle, and talking shop with friends.

Johnathan was not just someone who loved cars, he loved people. He was selfless, always thinking of others, and had a natural ability to make everyone feel special. His energy was unmatched, and his laughter, singing, and dancing could light up any room. He had a way of making you feel like the most important person there. Whether he was hanging out with friends, working out, or just being himself, his presence brought joy to all who knew him.

Johnathan leaves behind a loving family who will forever cherish his memory. He is survived by his loving parents, Selena Bohan and Juan Carlos Torres, his brother Blake, and sisters Samantha and Angela. He was also the beloved grandson of Millie and Papa Bob, and Lucia and Julio. Johnathan will be missed by his cousins, Amaya, Ayla, and Adam, as well as a larger circle of cousins, family, and friends who were fortunate enough to know him... to know him, was to love him. Johnathan now joins his grandfather, Richard T Bohan, and his aunt, Tricia Franey, who welcome him home from above.

Angie Melendez / Juan Torres posted:

My dearest Johnathan, I am deeply saddened that you have left us too soon, and to the family please accept my heartfelt condolences during this difficult time. Johnathan was truly a kind soul, remarkable person, someone who touched many lives, and I feel fortunate to have known him in such a short time. We will miss his smile, his shining eyes as he was our gentle giant. Always positive and had an outstanding personality. His memory will live on in the hearts of everyone who had the privilege of being a part of his world. I can only imagine the pain you must be feeling, and I want you to know that you're not alone. Please don't hesitate to reach out if you need someone to talk to, or if there's anything I can do to support you. Wishing you strength, comfort, and peace in the days ahead. With deepest sympathy, Angie Melendez
