William posted:

I had the privilege of working with Luis over the past decade. He was incredibly smart, unfailingly kind, and genuinely fun to be around. I'm grateful I got to know him in that setting — whether working together or just crossing paths during the day, Luis always made things brighter. He will be deeply missed by his family, his friends, and by everyone who was fortunate enough to know him, even just in passing. My heart goes out to his family during this difficult time. His loss is truly heartbreaking.
