She also loved her visits to the horse farm and Friday night bingo with family and friends.

A mass to celebrate Carol’s life is scheduled for Sunday, July 27th at 1:00 p.m. at St. James’ Episcopal Church, 514 Abbott Ave., Ridgefield.

To pay tribute to a life well lived, donations in Carol’s name to the Bergen County Animal Shelter, Teterboro, NJ, The American Cancer Society or The Equine Rescue, Bloomingburg, NY, would be appreciated.

“ Although Carol was known for her good sense of humor and her ability to tell a great story she also was a good and helpful friend. After my cat died I mentioned I was looking for a kitten and she said her sister's friend had baby kittens waiting for homes. Carol went with me to pick out an adorable black kitten. She encouraged me to try out for the CYO play " Bye Bye Birdie", brought me to YCF and helped me to get into Dental Asst. School. The course was only 20 dollars but the requirements required me to already be working in the field. Not to worry, Carolyn new a dentist on Main St. I would have been too timid to walk in cold and ask for a job, but no obstacle was too big for her optimism, so down to Dr. Vella's office we went and I was hired for Saturdays. The last time I saw Carol was when she drove to my house to show me her new born daughter, so proud she was. I remember how she adored her little sister's Patty and Evelyn and must have shown that love to her own daughters and granddaughter.
